This is where I would like to have the full stop only *inside* the curly quotes.¹

This is where the full stop should go at the very end.²

¹See John Doe: A Bibliographer's \TeX nic Inquiry, in: The \TeX 4HT Journal 25.3 (1989), pp. 393–396, 3, consider especially: “It can be difficult to deal with full stops and curly quotes.”

²See *ibid.*, 4, “different situation”.

³Test with a label.

⁴Exactly like in n. 3.
